Program Description

The Specific Cultural Project (SCP) grant provides up to \$25,000 to fund a specific cultural project, program, exhibition, or series. If the applicant is an organization, the grant activities must support the mission of the organization and further the state's cultural objectives.

The Division offers four proposal types:

- [Arts In Education](#) projects promote arts and culture in education;
- [Discipline-Based](#) cultural or artistic projects;
- [Underserved Cultural Community Development](#) projects assist with the development of underserved cultural organizations;
- [Artist Projects](#) provide public benefit through the creation or presentation of new artistic work.

Basic Eligibility

All applicants must meet the following basic eligibility requirements at the time of application.

1. Have submitted no other applications for the General Program Support or Specific Cultural Project programs in the current application cycle (see [application restrictions](#));
2. Have the required [legal status](#);
3. Agree to comply with all [application requirements](#):
 1. Complete all proposal activities within the [grant period](#);
 2. Make programming and activities open and accessible to all members of the public (see [accessibility and non-discrimination](#));
 3. Match the grant amount requested, at least dollar for dollar (see [request amount](#) and [match requirements](#)); and
 4. Include only allowable expenses in the proposal budget (see [allowable](#) and [non-allowable](#) expenses);

 6. Comply with the requirements of the Florida Single Audit Act; and
 7. Credit the State of Florida and Division of Cultural Affairs for funding.

In addition to these basic eligibility requirements, all applicants in non-compliance at the time of the deadline will be deemed ineligible. There are [specific eligibility requirements](#) for the

Discipline-Based Museum, Professional Theatre, Traditional Arts, Arts In Education, Underserved Cultural Community Development, Artist Performances on Tour, and Artist Project application types.

Application Restrictions

"In order to equitably distribute limited state funding," the legislature mandated, in section 265.286(9), Florida Statutes, that each grant applicant may only submit one application each annual grant cycle. The legislature defined applicant or grantee as a "nonprofit, tax-exempt, Florida corporation" or a "local or state governmental entity, school district, community college, college, university, agency of state government, or artist engaged in or concerned with arts and cultural activities."

Based on this, an organization or artist may only submit one (1) Specific Cultural Project or one (1) General Program Support application for each annual grant cycle (July 1 - June 30).

Legal Status

To meet the legal status requirement, an applicant organization must be either a public entity or a Florida nonprofit, tax exempt corporation as of the application deadline. Exception: For the Arts in Education Artist Performances on Tour and Artist Project funding categories ONLY, the applicant may be a solo artist or an unincorporated performing company (265.286 (8)(a)(b), F.S.), and be a Florida resident for at least one year prior to the application deadline and maintain residency in Florida throughout the project. For-profit businesses are not eligible to receive state funds.

Public Entity

A Florida local government, entity of state government, school district, community college, college, or university. Private schools, private community colleges, private colleges, and private universities are not public entities and must be nonprofit and tax exempt to meet the legal status requirement.

Nonprofit, Tax Exempt

A Florida organization that is both:

1. **Nonprofit:** incorporated as an active nonprofit Florida corporation, in accordance with Chapter 617 or Chapter 623, Florida Statutes. We do not fund Foreign Non-profits. A foreign non-profit is an existing corporation that is registered to do business in a state or jurisdiction other than where it was originally incorporated.

2. **Tax exempt:** designated as tax exempt as defined in section 501(c)(3) or 501(c)(4) of the Internal Revenue Code of 1954, as amended. Staff will verify status in Guidestar at www.guidestar.org.

The Division of Cultural Affairs will verify that the applicant is registered with the Division of Corporations as of the application deadline. If the applicant is not registered in Corporations by the application deadline, the application will be deemed ineligible.*

If the applicant is registered in Corporations but their status is not "active," the applicant must correct the status within 10 calendar days of notification or the application will be deemed ineligible.

*Artists applying to the AIE Artist Performances on Tour Program and Artist Project are not registered with the Division of Corporations unless their organization has 501(c)(3) designation.

For more information on corporate status, visit <http://www.sunbiz.org> or call the Division of Corporations, profit and nonprofit information line at (850) 245-6052. To verify corporate status, you can review your corporate record online through the [sunbiz.org document search tool](#).

For more information about tax exempt status, see [Exemption Requirements - Section 501\(c\)\(3\) Organizations](#) on the Internal Revenue Service website. (<http://www.irs.gov>).

Required Documentation

1. All applicants must provide a DUNS number except for individual/solo artists. You can request a DUNS number at <https://www.dandb.com/>.

Proposal Types

Arts in Education

Arts In Education project grants provide up to \$25,000 for projects that cultivate learning and artistic development for all students and teachers by promoting, encouraging, and supporting arts and culture as an integral part of education and lifelong learning for residents and visitors. This includes, but is not limited to:

- The learning and artistic development of pre-kindergarten through grade 12 students and teachers; or
- Initiatives and proposals that help applicants to work as individuals or partners to carry out community programs and school reform through the arts.

The Division supports the view that the arts build cultural understanding, mutual respect, and strong communities. Arts In Education projects accomplish this by bringing artists and cultural Rule 1T-1.036, F.A.C., eff. 03/18

experiences directly into Florida schools, hospitals, nursing and eldercare facilities, senior centers, correctional facilities, community spaces, cultural facilities, and other organizations. The Division encourages the use of Florida-based artists whenever possible.

Funding Categories

There are **three** funding categories for Arts In Education Projects.

1. Artist Residency,
2. Arts Partnership, and
3. Artist Performances on Tour.

Artist Residency

Artist residencies place professional Florida artists in a variety of education and community settings. Services performed by resident artists may include:

- Teaching one or more aspects of their art form;
- Creating or performing works of art so that participants may observe and be a part of the creative process;
- Relating their art form to other curriculum areas or disciplines.

Residencies can change the way a community views a particular art form and the arts in general. Artists engage participants in making art in a mutually supportive, creative learning environment and participants explore self-expression and the role of the arts in society. This process encourages imaginative thinking, problem solving, goal setting, and teamwork.

All residencies should relate to:

- Core curriculum or [Florida Standards Assessment at http://www.cpalms.org/Public/](http://www.cpalms.org/Public/) (for residencies targeted to pre-K through grade 12); or
- Community needs and goals (for residencies not targeted toward pre-K through grade 12. This includes colleges, universities, after school programs, and cultural and social/community service programs).

Activities

Artist residencies should include at least one (1) preliminary session with the artist(s) to discuss residency goals, scheduling, planning, objectives, requirements, etc. This session does not count towards the required contact hours. The artist should be paid for this session.

In addition to the preliminary session, residency activities may include the following:

1. An event that shares the core participants' work;

2. Arts-related professional development for staff, arts educators, administrators, and teachers (in-service workshops/institutes, seminars, etc.);
3. Related in-state field trip to a gallery, museum, concert, or performance for the core participants; and
4. An event that joins core participants, their family, and friends in hands-on arts activities.

Contact Hours

Residencies must have a minimum number of contact hours based on the grant amount requested. A contact hour is 60 minutes or one class period of hands-on activity with the artist. Residency days and weeks do not have to be consecutive. Use the table below to determine the required contact hours.

Minimum required contact hours by request.

Request Amount Minimum Required Contact Hours

\$10,000 or less at least 30

\$10,001 to \$15,000 at least 40

\$15,001 to \$20,000 at least 50

\$20,001 to \$25,000 at least 60

Residencies may exceed the minimum contact hours, as long as activities take place during the [grant period](#). Residency applications that do not show at least 30 contact hours will be deemed ineligible.

Arts Partnership

The Arts Partnership funding category provides up to \$25,000 to support projects that will advance arts education and the development of long-term partnerships through effective collaboration between community arts and cultural organizations, social service agencies, and educational entities.

Applicants may request up to \$25,000 for arts partnership projects that have completed planning and design work and are ready for implementation or expansion.

If proposals include computer, video, and technology equipment, applicants must show how technology equipment, systems, and programs are integrated into their specific arts education partnership.

Arts Partnership projects are not intended to fund the same project year after year, however panelists have the discretion to recommend funding for on-going projects.

Focus Areas

Focus areas for the Arts Partnership project may include the following:

1. School-based arts education;
2. Programming that integrates the arts into areas not usually associated with the arts such as:
 - non-arts curriculum;
 - school-to-work initiatives;
 - the criminal justice system;
 - the healthcare system;
 - community care for the elderly;
 - underserved populations; and
 - adult-continuing education programs.
3. Programming that brings together different generations;
4. Arts and technology programming in music, visual arts, theatre, dance, media and/or literary arts; and
5. Community arts education.

Artist Performances on Tour

The Artist Performances on Tour Program provides funding to Florida-based performing artists for touring activities to underserved communities; touring activities include both a performance and an educational component. Target audiences are organizations and schools located within underserved counties (population of 75,000 or less), or an underserved organization in any county (see Underserved Designation.) All performances are accompanied by educational components. Touring activity must take place outside the home county of the applicant artist and within the state of Florida.

Most touring activities are presented to K-12 students, many of them in underpopulated counties with little exposure to live performance. It is for this reason that educational activities play such an important role. In addition to performance pieces, touring artists must offer a menu that includes master classes, lecture/demonstrations, workshops, hands-on activities, and residencies of varying length; these must be accompanied by study guides and other material to enrich the students' experience of the performance. For K-12 students, artists can also provide lesson plans that show correlation to specific Florida Standards. These can be found on the Florida Department of Education website at <http://www.fldoe.org/academics/standards/florida-standards/educator-resources.stml>. An excellent resource is at the CPALMS website at <http://www.cpalms.org/Public/>. For college, university, community, and adult audiences, artists must provide options for activities that enrich their experiences at performances.

Applicants are only required to have 50% match (cash or in-kind) for this category. There is no limit on the amount of in-kind that can be included in the proposal budget.

Basic Application Eligibility

All applicants must be solo professional artists or companies with full-time, paid artistic/program/managerial staff that compensate all artistic, program, design, technical, and managerial staff in accordance with applicable labor standards. For this program, artist duos and ensembles that are not incorporated as non-profit 501(c)(3) must apply in the name of the lead representative. (Example: If the two-person Alice and Jerry's Fabulous Beethoven Magic Act is not incorporated as a non-profit, then either Alice or Jerry must be the actual applicant; this is how grant payments will be directed.)

Solo artists must reside in Florida. For companies (more than one performer such as duos and ensembles), at least 50% of the artists must have their primary residence in Florida and the company's primary place of business must be located in Florida.

Applicants must be able to provide evidence of touring experience.

Required Attachments

- Work sample, audio or video. This selection should be 10 minutes long. The quality of the work sample is critical to the panel's evaluation of the application;
- Resumes of significant personnel;
- A list of recent tours (include city/county/state, venue, and audience impact numbers);
- Samples of study guides, materials, hand-outs, lesson plans, and other educational materials used in activities and residencies;
- A copy of the artist's standard touring contract with all riders; and
- A sample press kit and promotional materials.

Discipline-Based

Discipline-Based projects are discipline specific for organizations conducting cultural projects, realizing their stated mission, and furthering the state's cultural objectives.

Discipline Categories

Discipline-Based applicants must select one of eleven (11) discipline categories.

- [Dance](#)
- [Literature](#)
- [Media Arts](#)
- [Multidisciplinary](#)
- [Museum](#)
- [Music](#)

- [Presenter](#);
- Theatre (Community and Professional)
 - [Community Theatre](#)
 - [Professional Theatre](#)
- [Traditional Arts](#)
- [Visual Arts](#)

The discipline category of the application will determine which review panel will evaluate and score the application. Applicants should select the discipline that best fits their proposal. Applicants should consider whether they are presenting or producing the activity when choosing a discipline category.

Applicants that produce festivals should select the discipline category for the festival activity. For example, an organization producing a film festival should apply to the Media Arts discipline while a cultural festival that is producing music, visual art, and dance activities should apply to the Multidisciplinary category. For more information, contact a program manager (see [help](#)).

The Division encourages the use of Florida-based artists whenever possible.

Dance

The Dance discipline is for projects that promote excellence in dance.

Literature

The Literature discipline is for projects that promote excellence in the literary arts.

Media Arts

The Media Arts discipline is for projects that promote excellence in film, video, radio, and television. This includes film and video festivals, and media art exhibitions, conferences, and seminars.

Multidisciplinary

The Multidisciplinary discipline is for projects that are producing two (2) or more separate artistic or cultural disciplines. Presenting organizations should apply to the Presenting discipline. Botanical Gardens, Zoos, Science Centers, and museums should apply to the museum discipline.

Artistic and cultural disciplines include, but are not limited to:

- Music;
- Dance;

Rule 1T-1.036, F.A.C., eff. 03/18

- Theatre;
- Creative writing;
- Literature;
- Architecture;
- Painting;
- Sculpture;
- Traditional arts;
- Photography;
- Crafts;
- Media arts; and
- Visual arts.

Museum

The Museum discipline is for projects focused on the applicant's collections and/or exhibits. Applicants may include zoos, botanical gardens, arboretums, nature centers and aquariums.

To be eligible to apply to this discipline, a museum must:

- Be open to the public for at least 180 days each year;
- Own or utilize collections, including works of art, historical artifacts, or other tangible objects, whether live or inanimate;
- Care for these collections, including works of art, historical artifacts, or other tangible objects; and
- Exhibit these collections, including works of art, historical artifacts, or other tangible objects to the public on a regular schedule.

Museums are encouraged but not required to participate in the American Alliance of Museums' [Museum Assessment Program](#) (MAP) and to pursue or maintain national accreditation through American Alliance of Museums (AAM), American Zoological Association (AZA), or Zoological Association of America (ZAA).

Museums may include but are not limited to the following:

- Art Museums;
- Historical Museums;
- Multidisciplinary Museums;
- Science Museums (Botanical Gardens, Zoos, Arboretums, Nature Centers and Aquariums); and
- Youth and Children's Museums.

Non-museum organizations conducting visual art exhibitions should apply to the Visual Art discipline.

Music

The Music discipline is for both vocal and instrumental music projects that promote excellence in music performance and creation.

Applicants to the Music discipline may include chamber or jazz ensembles, choral groups, community bands, orchestras, opera, and world music ensembles.

Applicants with musical theatre projects should submit their application to the appropriate Theatre discipline (professional or community). Applicants presenting, rather than producing, should apply to the Presenter discipline.

Presenter

The Presenter discipline supports the presentation of performing arts groups, individual artists, or other cultural providers.

A Presenter is an organization that enters into agreements to provide performances or other cultural activities. The organization generally does not create, rehearse, cast, or have artistic control over the performance or activity.

Applicants producing, rather than presenting, should apply to the appropriate discipline for their activities, such as [Music](#), [Theatre](#), [Dance](#), or Multidisciplinary. If an organization is presenting and producing applicants should consider the percentage of their programming that is dedicated to presenting when deciding which discipline to apply to.

Theatre (Community and Professional)

The Theatre disciplines support projects that promote excellence in theatre performance. Musical theatre can be included in this discipline. Organizations producing opera projects should apply to the [Music](#) discipline. College and university theatre programs should apply to the Community Theatre discipline.

Community Theatre

The Community Theatre discipline is for applicants producing a community theatre project.

Community theatre applicants should be very specific when describing how artists are compensated. Although it is assumed that most community theatre applicants will not be compensating most actors, applicants should address whether or not technical staff (directors, designers) are compensated and if any actors receive financial compensation.

If a community theatre is in the process of becoming a professional house, the application should describe where the applicant is in the transition and when the applicant expects to be offering full compensation to artistic staff.

Professional Theatre

The Professional Theatre discipline is for producing professional theatres, and also includes professional storytelling organizations.

Companies should be very specific when describing the financial compensation and/or benefits that are offered to artistic staff and actors. For information on minimum pay rates for actors and staff contact a theatrical union such as Actors Equity (<http://www.actorsequity.org>).

Traditional Arts

Please contact the Traditional Arts Program Manager to confirm your application meets the definition of Traditional Arts before applying to this discipline.

The Traditional Arts discipline is for organizations that preserve and present traditional arts from specific cultural groups in Florida. This includes performances, exhibitions, festivals, and other programming featuring traditional artists and their work. This discipline's goals are to support programming of traditional artists in a public venue and to foster recognition and awareness of traditional arts.

What are Traditional Arts?

Traditional arts are traditional cultural expressions through which a community maintains and passes on a shared way of life. Traditional arts are rooted in and reflective of the cultural life of a community. Community members may share a common ethnic heritage, cultural mores, language, religion, occupation, or geographic region. These vital and constantly reinvigorated artistic traditions are shaped by values and standards of excellence that are passed from generation to generation, most often within family and community, through demonstration, conversation, and practice. Traditional art expressions are usually learned informally through a relative or the community and are maintained without formal teaching or academic training. Traditional arts are learned orally, or by observation and imitation, often through a master artist instructing an apprentice. Some traditional arts have a deep-rooted history with little change, while others are constantly evolving and adapting to their changing environment.

Florida Statutes Definition

“ . . . (6) Folklife means the traditional expressive culture shared within the various groups in Florida: familial, ethnic, occupational, religious, and regional. Expressive culture includes a wide range of creative and symbolic forms such as custom, belief, technical skill, language, literature, art, architecture, music, play, dance, drama, ritual, pageantry, and handicraft, which forms are

Rule 1T-1.036, F.A.C., eff. 03/18

generally learned orally, by imitation, or in performance and are maintained or perpetuated without formal instruction or institutional direction” 267.021 FS.

The Traditional Arts discipline includes many forms and processes of expression including, but not limited to: performing traditions in music, dance, and drama; traditional storytelling and other verbal arts; traditional crafts; visual arts; and architecture.

Examples of Traditional Arts projects may include an African Caribbean Dance Festival, Music and Dance of India, Cherokee Storytelling, and African American gospel music *in which each art form is presented by a traditional artist.*

Note: The Traditional Arts discipline is NOT intended for programming that focuses primarily on the following activities: research for scholarly purposes only; historical presentations, re-creations or re-enactments; cultural appropriation and revivalism, tourism, and contemporary studio crafts or reproductions.

Visual Arts

The Visual Arts discipline is for projects that promote excellence in the visual arts through activities such as:

- Lectures;
- Publications;
- Exhibitions;
- Educational programs;
- Artist workshops; and
- Professional development for visual artists.

Application Requirements

Grant Period

All proposed activity must take place within the grant period.

- The grant period **start date** is July 1, 2019.; and
- The grant period **end date** is June 30, 2020 unless an end date extension is approved by the Division.

Accessibility and Non-Discrimination

The Division of Cultural Affairs is committed to making the arts and culture accessible to everyone, including:

- Persons with disabilities;
- Older adults;
- Culturally and economically underserved populations; and
- Minorities.

Applicants may receive up to 10 points during panel review through the accessibility review criterion.

Organizations seeking support for activities are required to be open and accessible to all members of the public, regardless of sex, race, color, national origin, religion, disability, age, or marital status.

The Americans with Disabilities Act (ADA) prohibits discrimination against individuals with disabilities in employment, state and local government services, public accommodations, transportation and telecommunication. The ADA extends the requirements under Section 504 of the Rehabilitation Act of 1973, as amended, to all activities of state and local governments and places of public accommodations operated by private entities, including places of public display. The 504 Self Evaluation Workbook which can be used as a reference, and downloadable Disability Symbols can be found at <http://dos.myflorida.com/cultural/info-and-opportunities/resources-by-topic/accessibility/>. While the workbook is not required, failure to complete the workbook can impact the applicant’s Accessibility score.

Request Amount

Specific Cultural Projects have a maximum request of \$25,000. Use the table below to find the maximum request amount. Proposal types and funding categories (levels) are described in detail in the Proposal Types section of the guidelines.

| Proposal Type | Funding Category Maximum Request | |
|--|---|----------|
| Arts In Education * | All | \$25,000 |
| Discipline-Based | N/A | \$25,000 |
| Underserved Cultural Community Development | Salary Assistance | \$25,000 |
| | Capacity Building | \$5,000 |
| | Consultant | \$5,000 |
| Artist Performances on Tour | N/A | \$25,000 |
| Artist Project | N/A | \$25,000 |

* **Note:** Arts In Education Residency projects have specific contact hour requirements based on the amount requested.

Grant Proposal Budget

The Proposal Budget expenses must equal the Proposal Budget Income.

Match Requirements

Applicants must provide at least one dollar in cash and in-kind (donated goods or services) for every dollar requested from the division. This is called match. Some expenses can only appear in the Proposal Budget as match (see [Match Only Expenses](#)).

Total Proposal Expenses are defined as match (cash and in-kind) + request amount. No more than 25% of the Total Proposal Expenses may be in-kind. See the in-kind section of the guidelines for more details.

Matching funds may be anticipated at the time of application, but must be received by the end of the grant period. **All expenses (both state grant and match) must be paid out (not merely encumbered) by the grant end date of June 30, 2020.**

Exception: The [Rural Economic Development Initiative](#) (REDI) recognizes rural or economically distressed counties and communities. Applicants that are located within an economically distressed county or community as of the application deadline are not required to provide cash match; however REDI applicants are still required to show a 50% match of in-kind (donated goods or services). You can find more information and a list of economically distressed counties and communities at <http://www.floridajobs.org/business-growth-and-partnerships/rural-and-economic-development-initiative/rural-definition>.

Applicants to the Performances on Tour and Artist Project categories are only required to have 50% match (cash or in-kind) for this category. There is no limit on the amount of in-kind that can be included in the proposal budget.

In-kind (Donated Goods and Services)

In-kind can appear in both the proposal budget and the operating budget. To calculate the value of volunteer services, use the federal minimum wage (see the Wage and Hour Division of the US Department of Labor <http://www.wagehour.dol.gov>). If the volunteer is professionally skilled in the service provided (such as a photographer donating photography services or a Certified Public Accountant providing a pro bono audit), use the wage rate the individual is normally paid for the service.

The value of all professionally skilled services used as in-kind must be documented in writing by the volunteer. The value of donated goods must also be documented. Records of such documentation must be available upon request.

Use the following formulas to calculate maximum allowable in-kind.

Total Proposal Expenses (as reported in the proposal budget) may not contain more than 25% in-kind.

- Maximum allowable in-kind = Total Cash Expenses (cash match plus request) divided by 3

The amount of in-kind allowed in the **Operating Budget** depends on the applicant's Total Cash Income as defined in the application.

If Total Cash Income is \$150,000 or less, Total Operating Income may not include more than 25% in-kind.

- Maximum allowable in-kind = Total Cash Income divided by 3.

If Total Cash Income is over \$150,000, Total Operating Income may not include more than 10% in-kind.

- Maximum allowable in-kind = Total Cash Income divided by 9.

Exception: There is no limit on the amount of in-kind that can be included in the Proposal Budget for applicants in a county that qualifies under the Rural Economic Development Initiative (REDI).

Allowable Expenses

Allowable expenses must be:

- Directly related to the proposal;
- Specifically and clearly detailed in the proposal budget; and
- Incurred and paid within the grant of July 1, 2019 through June 30, 2020.

Only allowable expenses may be included in the proposal budget.

Spending state grant funds on expenses that have not been approved by the Division, even if directly related to the program or project, will be disallowed and could result in a legal demand for the return of grant funds.

Match Only Expenses

No state funds may be used towards operational or indirect/overhead costs which include, but are not limited to:

- Phone;
- Utilities;
- Office supplies;
- Equipment costing over \$1,000;
- Property improvements;
- Fixtures;

- Building maintenance;
- Travel; and
- Space rental.

Non-Allowable Expenses

The Grantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state guidelines for allowable project costs as outlined in the Department of Financial Services' Reference Guide for State Expenditures, which are incorporated by reference and are available online at http://www.myfloridacfo.com/aadir/reference_guide/.

The following are non-allowable expenses for grant and matching funds.

- Private entertainment;

- Activities that are restricted to private or exclusive participation, which shall include restricting access to programs on the basis of sex, race, color, national origin, religion, disability, age, or marital status;
- Re-granting;
- Contributions and donations;
- Mortgage payments; and
- Payments to current Department of State employees;

Review Criteria

All applications will be evaluated and scored using the following four criteria:

- Excellence (up to 40 points);
- Impact (up to 30 points);
- Management (up to 20 points); and
- Accessibility (up to 10 points)

Excellence

Applicants must demonstrate excellence in all aspects of the proposal. Panelists will use the following application responses:

- Applicant Mission Statement or Artist Statement;
- Proposal Description; and
- Partnerships.

(Up to 40 points)

Impact

Applicants must demonstrate the expected impact of the proposal. Panelists will use the following application responses:

- Estimated number of individuals benefiting, youth benefiting, elders benefiting, and artists participating;
- Estimated number of events and opportunities;
- Location of project/programming;
- Proposal Impact(organization's economic impact and education and outreach); and
- Marketing and Promotion.

(Up to 30 points)

Management

This criterion covers administration, planning, and evaluation. Panelists will use the following application responses:

- Evaluation Plan;
- Fiscal Condition and Sustainability;
- Operating Budget (does not apply to Artist Project or Artist Performances on Tour); and
- Proposal Budget.

In addition panelists will also use the applicant's reporting history and compliance status as of the panel meeting (see noncompliance).

(Up to 20 points)

Accessibility

Points will be awarded based on demonstration of accessibility in the facility and programming. Panelists will use the responses to the Accessibility questions in the application.

(Up to 10 points)

Scoring

Applications must earn a minimum average score of 80 to be recommended for funding by the review panel.

The maximum number of points an application can earn is 100. Panel members will individually score each application. The average of the individual panelists' scores will be rounded to three decimal places. When the fourth decimal is 5 or greater, the score will be rounded up in favor of the applicant. For example, 79.9995 will be rounded to 80 but 79.9993 would remain 79.999.

Review Process

The application review process includes the following:

1. Staff Review for eligibility;
2. Panel Review and scoring;
3. Florida Council on Arts and Culture recommendations; and
4. Secretary of State approval.

Staff Review

Division staff will review all applications that meet the deadline for eligibility (see [Basic Eligibility](#) and [Specific Eligibility Requirements](#)). Staff review does not include subjective evaluations or comments on the content or quality of any grant application. Only applications that meet eligibility requirements will move forward to the grant review panel.

Staff will contact the applicant during the staff review to address issues with eligibility including:

- Issues with applicant's legal status:
 - IRS status has been revoked;
 - Federal Employer Identification Number or Corporate name does not match Guidestar;

- Federal Employer Identification Number or Corporate name does not match the Florida Division of Corporations record; and
- Applicant is incorporated as a nonprofit but does not have an active Florida Division of Corporations record.
- Issues with basic application requirements:
 - Activities fall outside of the grant period of July 1, 2019 through June 30, 2020;
 - Request amount is too high or the proposal budget does not meet matching requirements;
 - The proposal or operating budget contains too much in-kind;
 - The proposal budget contains non-allowable costs; and
 - Substitute W-9 has not been submitted.
- Applicant does not meet specific eligibility requirements for the selected proposal type, funding category or discipline.

Staff will also contact the applicant if the application indicates support materials are included but no materials were uploaded.

After the application deadline, applications may only be amended at the request of Division staff. Only changes that are approved by the Division will be provided to the review panel.

Panel Review

After Division staff review, the Division will release eligible applications to the grant panel for review and scoring. Panelists must be professionals in their field. Panelists will be appointed by the Secretary of State each year based on the following considerations (in no particular order):

- Panelist resume, knowledge, experience, and active involvement in the program, type or discipline being reviewed;
- Panelist experience with the panel process;
- Panelist availability;
- Geographic representation;
- Minority representation;
- Conflicts of interest; and
- Diverse aesthetic, institutional, and cultural viewpoints.

The Division is always seeking panelist nominations. Anyone may nominate a panelist (themselves or someone else) at any time by contacting a program manager (see [help](#)). Panelists may serve on a specific panel for up to 3 consecutive years. Panelists serve on a volunteer basis.

All panel members must comply with the Standards of Conduct for Public Officers and Employees of Agencies as set forth in section 112.313 Florida Statutes, and voting conflict of interest laws as set forth in sections 112.3143 and 286.012 Florida Statutes.

Panelists independently evaluate each application based on the [review criteria](#) detailed in these guidelines and are required to follow the Division's scoring instructions. After each panel member has evaluated the applications, there will be a public panel meeting to review, discuss, and score the applications. Panelists must voice their scores in the panel meeting. Only scores voiced during the panel meeting count towards the final average score for an application.

Panel Meetings

Panel meetings are a public process (usually conducted by teleconference) and anyone can participate by attending in person or by calling in via a toll-free number. Participation instructions will be emailed to applicants and posted on the Division's web site and in the online grant system. The Division strongly encourages applicants to participate in the grant panel meeting, although it is not required. Participating in the panel process can be very helpful for those that intend to apply for future grants.

Panel meetings are chaired by a member of the Florida Council on Arts and Culture. If a member of the Council is not available a Division staff member will serve as the panel Chair. Chairs do not vote on applications being reviewed.

A typical panel meeting will include the following:

1. Call to Order;
2. Introduction of Panelists and Staff;
3. Panel Instructions from the Chair;
4. Preliminary scoring of applications. For each application:
 - the Chair will announce the application number and applicant name;
 - applicants may provide a *brief* update on the application. Updates may only include new proposal information;
 - applicants will be permitted to respond to panelist questions;
 - each panelist will voice his or her score;
 - Division staff will calculate and voice the total points and the average panel score.
5. Public comment prior to panel consensus on scores:
 - During public comment, anyone (including applicants) may speak about the applications under consideration. After public comment, panelists may adjust their scores before the final vote to accept all scores.
6. Panel Recommendations;
7. General discussion from the panel (policies, procedures);

8. General comments from the public (limited to 3 minutes or at the Chair's discretion);
9. Closing remarks from the Chair; and
10. Adjournment.

Florida Council on Arts and Culture Review

After the panel meeting, the Division will report the panel recommendations to the Florida Council on Arts and Culture. The Council will amend panel recommendations based on new or existing information about the applicant or panel proceedings.

Information that will allow recalculation of the average score by the Council is:

- A panelist's conflict of interest; and
- Scoring errors.

Information that will result in the Council recommending zero funding is:

- Noncompliance with administrative requirements of previous grants;
- Bankruptcy or other fiscal concerns; and
- Changes in the applicant's staff that would impair implementation of the proposed grant activity.

Council Recommendations

All Specific Cultural Project applications recommended by the Council will be merged into a ranked list in accordance with section 265.286(3), Florida Statutes, using the following system.

1. Applications will be ranked by average score (highest to lowest);
2. Applications with a tied average score will be ranked using the average points scored on each criterion in the following order:
 1. Excellence;
 2. Impact;
 3. Management; and
 4. Accessibility.
3. If there is still a tie after the score for each criterion has been compared, the applications will be ordered by a sequence number assigned at application submission (lowest to highest)

This ranked list will be submitted to the Secretary of State for review and approval.

Funding

Subject to Legislative appropriation, Specific Cultural Project recommendations approved by the Secretary of State will be funded top-down at full request until the appropriation is depleted.

The Department of State's Legislative Budget Request will include the Secretary of State's approved ranked list of Specific Cultural Project applications. The Legislature may use this list to appropriate an amount in accordance with section 265.286(3), Florida Statutes.

If grant funds are returned to the Division, the Division shall award such funds to the next grant organization on the Secretary's ranked list of approved applicants according to section 265.286(4), Florida Statutes.

How to Apply

All application information submitted to the Division is open for public inspection and subject to the Public Records Law (Chapter 119, Florida Statutes).
